### Call for Papers

Editor-in-chief:

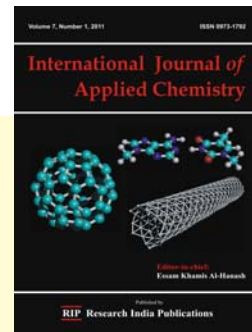

**Essam Khamis Al-Hanash**

Chemistry Department, Faculty of Science,

Alexandria University,

P.O. Box 426 Ibrahimia,

Alexandria, Egypt.

### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Applied Chemistry (IJAC)**, which is a peer-reviewed periodical covering all areas of applied chemistry and other related areas of chemistry. More information on the journal and the publishing process can be obtained at: [www.rippublication.com/ijac.htm](http://www.rippublication.com/ijac.htm)

The **International Journal of Applied Chemistry (IJAC)** is a peer reviewed international journal of high quality devoted to the publication of original research papers from applied Chemistry and their broad range of applications. IJAC publishes original research papers, comprehensive review articles, survey articles, book reviews, dissertation abstracts in all areas of applied chemistry and other related areas of chemistry. The subjects will cover all disciplines and branches of modern chemistry, including the structure of inorganic and organic compounds, kinetics and mechanisms of chemical reactions, problems of chemical processes and apparatus, borderline problems of chemistry, and applied research. Review articles in selected areas are published from time to time.

**Submission:** Authors are requested to submit their papers electronically to [submit@rippublication.com](mailto:submit@rippublication.com) with mention journal title (**IJAC**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Applied Chemistry (IJAC)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

*With kind regards,*

**Essam Khamis Al-Hanash**, Editor-in-chief
