### Call for Papers

Editor-in-chief:

**Dear Colleagues,**

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Advanced Computer Science and Technology (IJACST)**, which publishes original high quality research papers in the areas of computer science and technology, computer engineering, and computer systems to promote the exchange of research ideas, experiences and results. All submissions should be made electronically to the Editor-in-chief through: (EIC: [submit@rippublication.com](mailto:submit@rippublication.com)). More information on the journal and the publishing process can be obtained at: [www.rippublication.com/ijacst.htm](http://www.rippublication.com/ijacst.htm)

The International Journal of Advanced Computer Science and Technology (IJACST), is an international research journal. The areas covered by the journals are but not limited to the following: Computer Organizations and Architectures, Operating Systems, Software Systems, Digital Devices, Computer Components, and Interconnection Networks, Database Systems, Neural Networks, E-commerce. Performance, Fault Tolerance, Reliability, Security, and Testability, Language and Search Engine Design, Pattern Recognition, Image Processing.

**Submission:** Authors are requested to submit their papers electronically to [submit@rippublication.com](mailto:submit@rippublication.com) with mention journal title (**IJACST**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Advanced Computer Science and Technology (IJACST)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
