Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Civil Engineering Research (IJCER)**, which publishes top-level work from all areas of Engineering Research and their applications. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijcer.htm

The International Journal of Civil Engineering Research (IJCER) is an international research journal, which publishes top-level work from all areas of Engineering Research and their application including Mechanical, Civil, Electrical, Chemical, Electronics, Mathematics and Geological etc. Researchers in all technology and engineering fields are encouraged to contribute articles based on recent research. Journal publishes research articles and reviews within the whole field of Engineering Research, and it will continue to provide information on the latest trends and developments in this ever-expanding subject.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJCER**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Civil Engineering Research (IJCER)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
