Call for Papers

Editor-in-chief:
Professor Jai Singh,
Faculty of Technology,
Charles Darwin University,
Darwin, NT 0909,
Australia.

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Computational Physical Sciences (IJCPS)**, which publishes original research papers significance in most areas of sciences with emphasis on computational and theoretical research. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijcps.htm

The International Journal of Computational Physical Sciences (IJCPS), is an international journal. It aims to disseminate knowledge; provide a learned reference in the field; and establish channels of communication between academic and research experts, policy makers and executives in industry, commerce and investment institutions.

The decision of accepting a paper in the journal will be made by the Chief-editor at the recommendation of the editorial board members

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJCPS**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Computational Physical Sciences (IJCPS)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Professor Jai Singh, Editor-in-chief

International Journal of Computational Physical Sciences (IJCPS)
