Call for Papers

Editor-in-chief:

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Dynamics of Fluids (IJDF)**, which publishes papers in the all areas of Dynamics of Fluids. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijdf.htm

The International Journal of Dynamics of Fluids (IJDF) is an international research journal. The journal covers areas of aerodynamics, boundary layers, bubbly flows, cavitation, compressible flows, convective heat transfer, duct and pipe flows, free shear layers, flows in biological systems, fluid-structure interaction, fluid transients and wave motion, jets, multiphase flows, naval hydrodynamics, sprays, stability and transition, turbulence, and wakes. In addition, contributions to the Journal emphasize investigative techniques, analytical methods, computational fluid mechanics, and experimental methods like laser-Doppler velocimetry, and hot film and hot wire anemometry.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJDF**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Dynamics of Fluids (IJDF)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Editor-in-chief

International Journal of Dynamics of Fluids (IJDF)
