Call for Papers

Editor in Chief

Dr. K. Udhaya Kumar

Control and Instrumentation Laboratory,
Dept. of Electrical and Electronics Engineering,
Anna University, Chennai,
Tamil Nadu, India

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Electronics Engineering Research (IJEER)**, which publishes original research papers in the fields of Electrical and Electronic Engineering and in related disciplines. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijeer.htm

The International Journal of Electronics Engineering Research (IJEER) is an international research journal, Areas included (but not limited to) are electronics and communications engineering, electric energy, and the electrical engineering aspects of building services and aerospace engineering, Journal publishes research articles and reviews within the whole field of electrical and electronic engineering, new teaching methods, curriculum design, assessment, validation and the impact of new technologies and it will continue to provide information on the latest trends and developments in this ever-expanding subject.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJEER**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Electronics Engineering Research (IJEER)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Dr. K. Udhaya Kumar, Editor-in-chief

International Journal of Electronics Engineering Research
