Call for Papers

Editor-in-chief:

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Mechanical Engineering and Research (IJMER)**, which publishes original high quality research in all disciplines of Mechanical Engineering & research. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijmer.htm

The International Journal of Mechanical Engineering and Research (IJMER) is an international journal. It includes (but is not limited to) areas of theoretical and practice oriented papers, dealing with problems of modern technology (power and process engineering, structural and machine design, production engineering mechanism and materials, etc.), Materials and Design Engineering, Production Engineering and Fusion Technology, Dynamics, Vibration and Control, Thermal Engineering and Fluids Engineering. It considers activities such as: design, construction, operation, environmental protection, etc.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJMER**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Mechanical Engineering and Research (IJMER)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
