### Call for Papers

Editor-in-chief:

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Molecular Genetics (IJMG)**, which publishes top-level work from all areas related to human genetics, including reviews and opinion on the latest developments. All submissions should be made electronically to the Editor-in-chief through: (EIC: [submit@rippublication.com](mailto:submit@rippublication.com)). More information on the journal and the publishing process can be obtained at: [www.rippublication.com/ijmg.htm](http://www.rippublication.com/ijmg.htm)

The International Journal of Molecular Genetics (IJMG) is an international journal. Articles cover the molecular basis of human disease including germline cancer genetics, clinical manifestations of genetic disorders, applications of molecular genetics to medical practice and the systematic evaluation of such applications.

**Submission:** Authors are requested to submit their papers electronically to [submit@rippublication.com](mailto:submit@rippublication.com) with mention journal title (**IJMG**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Molecular Genetics (IJMG)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Editor-in-chief
