## International Journal of Material Sciences and Technology (IJMST)

Homepage: <http://www.rippublication.com/ijmst.htm>

ISSN: 2249-3077

### Call for Papers

Editor-in-chief:

### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Material Sciences and Technology (IJMST)**, which publishes top-level work all areas of experimental and theoretical investigations in the structure and properties of all science materials and their broad range of applications. All submissions should be made electronically to the Editor-in-chief through: (EIC: [submit@rippublication.com](mailto:submit@rippublication.com)). More information on the journal and the publishing process can be obtained at: [www.rippublication.com/ijmst.htm](http://www.rippublication.com/ijmst.htm)

The International Journal of Material Sciences and Technology (IJMST) is an international journal. Journal cover areas (but not limited to) atomistic and electronic nature of condensed phases, their microstructure, and the relationship between their structure and properties (mechanical, chemical, electrical, magnetic and optical); on the thermodynamics, kinetics, mechanisms and modelling of processes which occur within solids, liquids and other condensed phases; on experiments and models and more..

**Submission:** Authors are requested to submit their papers electronically to [submit@rippublication.com](mailto:submit@rippublication.com) with mention journal title (**IJMST**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Material Sciences and Technology (IJMST)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

*With kind regards,*

Editor-in-chief

International Journal of Material Sciences and Technology (IJMST)

**Submit Your Papers by email at [submit@rippublication.com](mailto:submit@rippublication.com)**
