### Call for Papers

Editor-in-chief:

### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Networking & Computer Engineering (IJNCE)**, which publishes top-level work from all areas related to of networking and computer engineering and their applications. All submissions should be made electronically to the Editor-in-chief through: (EIC: [submit@rippublication.com](mailto:submit@rippublication.com)). More information on the journal and the publishing process can be obtained at: [www.rippublication.com/ijnce.htm](http://www.rippublication.com/ijnce.htm)

The International Journal of Networking & Computer Engineering (IJNCE) is an international research journal. IJNCE provides a forum to scientists, researchers, engineers and academicians to share their ideas and research in the field of computer engineering and Networking. The objective of the IJNCE is to serve a better understanding between the community of researchers and practitioners from academia and industry. IJNCE invites the original contributions in all area of computer and software engineering.

**Submission:** Authors are requested to submit their papers electronically to [submit@rippublication.com](mailto:submit@rippublication.com) with mention journal title (**IJNCE**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Networking & Computer Engineering (IJNCE)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
