Dear Colleagues,

We are very pleased to announce the launching of our new journal **International Journal of Materials Science (IJoMS)**. We would like to invite you to submit manuscripts of your original papers, for possible publication in IJoMS which is a peer-reviewed periodical dedicated to the proliferation and dissemination of scholarly research results covering all areas related to experimental and theoretical investigations in the structure and properties of all science materials and their broad range of applications. More information of the journal, and the publishing process can be obtained at: www.rippublication.com/ijoms.htm

The **International Journal of Materials Science (IJoMS)** is an international journal for the rapid publication of experimental and theoretical investigations in the structure and properties of all science materials and their broad range of applications. Its scope encompasses all aspects of materials research, including the preparation, processing, characterization, properties, and theoretical description of materials with new or unusual structure and properties.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJoMS**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Materials Science (IJoMS)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Dr. Mustafa Kamal, Editor-in-chief
