Call for Papers

Editor-in-chief:

Hyung Jin Sung,
Dept. of Mechanical Engg.
Korea Advanced Institute of Science and Technology
Guseong-dong, Yuseong-gu,
Republic of Korea

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Theoretical and Applied Mechanics (IJTAM)**, which is a peer-reviewed periodical covering all areas of theoretical and applied mechanics. More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijtam.htm

The **International Journal of Theoretical and Applied Mechanics (IJTAM)** is an international research journal, which publishes top-level work from all areas of theoretical and applied mechanics including theoretical, computational, and experimental aspects, as well as theoretical modeling, methods of analysis and instrumentation. It includes basic discipline-oriented areas such as dynamics, continuum mechanics, solid and fluid mechanics, structures, heat transfer, tribology, geomechanics, and biomechanics, as well as inter-disciplinary subjects such as new numerical and computational techniques, systems control technology, engineering design tools, manufacturing technology, materials and energy technology, and environmental engineering.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJTAM**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Theoretical and Applied Mechanics (IJTAM)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions. worldwide ensures promotion to the widest possible audience

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Hyung Jin Sung, Editor-in-chief
International Journal of Theoretical and Applied Mechanics
