Call for Papers

Editor-in-chief:

Reza Malekian,

Chair and Head of Computer Department

Azad University,

Tonekabon Branch,

Iran

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Wireless Communication and Simulation (IJWCS)**, which publishes top-level work from all areas of Wireless Communication and Simulation. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijwcs.htm

The International Journal of Wireless Communication and Simulation (IJWCS) is an international research journal. The main objective of this journal is to provide a common platform for academics, industrial professionals, engineers, scientist, and educators and to publish and disseminate innovative and new works with novel results in area of wireless networks.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJWCS**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Wireless Communication and Simulation (IJWCS)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Reza Malekian, Editor-in-chief

International Journal of Wireless Communication and Simulation
