### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **Journal of Computational Intelligence in Bioinformatics (JCIB)**, which publishes articles describing recent fundamental contributions in the field of Bioinformatics. Artificial intelligence and computational intelligence theory and their applications in Bioinformatics are the essential topics being covered. More information on the journal and the publishing process can be obtained at: [www.rippublication.com/jcib.htm](http://www.rippublication.com/jcib.htm)

The **Journal of Computational Intelligence in Bioinformatics (JCIB)** is an international research journal, Areas are covered: Artificial intelligence and computational intelligence theory and their applications in Bioinformatics are the essential topics being covered. Areas of interest include but are not limited to advances in computational molecular/structural biology, renewable energy, environmental protection, etc. Journal publishes research articles and reviews within the whole field of bioinformatics, and it will continue to provide information on the latest trends and developments in this ever-expanding subject.

**Submission:** Authors are requested to submit their papers electronically to [submit@rippublication.com](mailto:submit@rippublication.com) with mention journal title (**JCIB**) in subject line.

### Author benefits:

The benefits of publishing in **Journal of Computational Intelligence in Bioinformatics (JCIB)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

**Bhaskar Das Gupta,** Editor-in-chief
