Call for Papers

Editor-in-chief:
Masami Ito,
Faculty of Science,
Kyoto, Sangyo University,
Kita-Ku, Kamigamo,
Kyoto 603-8555, Japan

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **Mathematics Applied in Science and Technology (MAST)**, which publishes top-level work from all areas of mathematics and applications in sciences. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/mast.htm

The Mathematics Applied in Science and Technology (MAST), is an international research journal, is an international journal of high quality devoted to the publication of original research papers from all areas: such as pure and applied mathematics, theoretical computer science, mathematical physics, mathematical chemistry, mathematical biology, mathematical psychology, mathematical sociology, mathematical economics and applications of mathematics to the engineering sciences. It is intended that the journal may act as an interdisciplinary forum for mathematics and its applications.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**MAST**) in subject line.

Author benefits:

The benefits of publishing in **Mathematics Applied in Science and Technology (MAST)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Masami Ito, Editor-in-chief

Mathematics Applied in Science and Technology
