### Call for Papers

Editor-in Chief :  
**Messaoud Chaib,**  
Head of research laboratory  
"Environment and Chemistry"  
Algeria

### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Chemistry and Applications (IJCA)**, which publishes top-level work from all areas of original research papers from Chemistry and their broad range of applications. All submissions should be made electronically to the Editor-in-chief through: (EIC: [irpeditor@gmail.com](mailto:irpeditor@gmail.com)). More information on the journal and the publishing process can be obtained at: [www.irphouse.com](http://www.irphouse.com)

The International Journal of Chemistry and Applications (IJCA) is an international research journal, It covers (but not limited to) all application problems of modern chemistry, including the structure of inorganic and organic compounds, kinetics and mechanisms of chemical reactions, problems of chemical processes and apparatus, borderline problems of chemistry, and applied research.

**Submission:** Authors are requested to submit their papers electronically to [irpeditor@gmail.com](mailto:irpeditor@gmail.com) with mention journal title (**IJCA**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Chemistry and Applications (IJCA)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

*With kind regards,*

**Messaoud Chaib**, Editor-in-chief  
International Journal of Chemistry and Applications
