Call for Papers

Editor-in-Chief
A.K. Aggarwal,
Computer Science Department,
University of Windsor,
Windsor, Ontario
Canada

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Electrical and Computer Engineering (IJEC)** is a international journal, which publishes original research findings in new theoretical developments and techniques in the field of electrical or computer engineering and their application to real world problems. All submissions should be made electronically to the Editor-in-chief through: (EIC: irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The International Journal of Electrical and Computer Engineering (IJEC) is a scholarly international journal that publishes original research papers in the fields of Electrical and Computer Engineering and in related disciplines. Areas included (but not limited to) are electronics and computer engineering, electric energy, automation, control and instrumentation, computer and information technology, and the electrical engineering.

Submission: Authors are requested to submit their papers electronically to irpeditor@gmail.com with mention journal title (**IJEC**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Electrical and Computer Engineering (IJEC)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

A.K. Aggarwal, Editor-in-chief
International Journal of Electrical and Computer Engineering
