Call for Papers

Editor-in-Chief

Yueh Min Huang,

Dept. of Engineering Science

National Cheng-Kung University

No.1, University Road, Tainan City 701

Taiwan (R.O.C.)

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Electronics and Communication Engineering (IJECE)** is a scholarly international journal that publishes original research papers in the fields of Electrical and Electronics and Communication Engineering and in related disciplines. All submissions should be made electronically to the Editor-in-chief through: (EIC: irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The International Journal of Electronics and Communication Engineering (IJECE) is an international. Areas included (but not limited to) are signal and system theory, digital signal processing, network theory and circuit design, information theory, communication theory and techniques, modulation, communication protocols, optical communications, microwave theory and techniques, radar, sonar, antennas, wave propagation and more. Journal publishes research papers in the areas of both public communication systems (Telecommunication, mobile, Internet, and Cable TV) and private systems (Intranets, enterprise networks, LANs, MANs, WANs).

Submission: Authors are requested to submit their papers electronically to irpeditor@gmail.com with mention journal title (**IJECE**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Electronics and Communication Engineering (IJECE)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Yueh Min Huang, Editor-in-chief

International Journal of Electronics and Communication Engineering
