### Call for Papers

Editor-in-Chief

**Prof. H.H. El-Tamaly,**

Chairman of electrical engineering Dept.,

Faculty of Engineering,

Elminia University,

Egypt

### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Electronic and Electrical Engineering (IJEE)** is a scholarly international journal that publishes original research papers in the fields of Electrical and Electronic Engineering and in related disciplines. All submissions should be made electronically to the Editor-in-chief through: (EIC: [irpeditor@gmail.com](mailto:irpeditor@gmail.com)). More information on the journal and the publishing process can be obtained at: [www.irphouse.com](http://www.irphouse.com)

The International Journal of Electrical Engineering (IJEE) is an international scholarly journal which publishes original research findings in power generation, transmission and conversion, electrical machinery, control theory and industrial controls, robotics, electrical transportation equipment (including magnetic levitation devices), insulation, solar energy, high-power semiconductors, as well as economic and environmental aspects of energy production and distribution.

**Submission:** Authors are requested to submit their papers electronically to [irpeditor@gmail.com](mailto:irpeditor@gmail.com) with mention journal title (**IJEE**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Electrical Engineering (IJEE)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.
