Call for Papers

Editor-in-Chief
Abu Khari A'ain
University of Technology Malaysia,
Malaysia

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Microcircuits and Electronic(IJME)** is a international journal, which publishes original research papers in the fields of microcircuits and Electronic. All submissions should be made electronically to the Editor-in-chief through: (EIC: irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The International Journal of Microcircuits and Electronic(IJME) is a scholarly international journal that publishes original research papers in the fields of microcircuits, microelectronics, multichip module technologies, electronic materials, surface mount and other related technologies, interconnections, RF and microwaves, wireless communications, manufacturing, design, test, and reliability and more...

Submission: Authors are requested to submit their papers electronically to irpeditor@gmail.com with mention journal title (**IJME**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Microcircuits and Electronic(IJME)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Abu Khari A'ain, Editor-in-chief
International Journal of Microcircuits and Electronic
