Call for Papers

Editor-in Chief :

Salah A. Makhlof,

Physics Department

Faculty of Science

Assiut University, Assiut 71516,

Egypt

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of NanoScience and Nanotechnology (IJNN)**, which publishes original research articles in the fields of aspects of nanoscience and nanotechnology. All submissions should be made electronically to the Editor-in-chief through: (EIC: irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The International Journal of NanoScience and Nanotechnology (IJNN) is an international research journal. Currently, it stands alone in serving the global “nano” community in providing up-to-date information on all developments and progresses being made in nanoscience and nanotechnology and the future predictions for this extraordinary technology. Journal cover all “nano” related areas of research and development work. Areas covered (but not limited to) Physical Sciences, Life Sciences, Theoretical and Computational Science and Engineering. Articles must appeal to an international audience.

Submission: Authors are requested to submit their papers electronically to irpeditor@gmail.com with mention journal title (**IJNN**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of NanoScience and Nanotechnology (IJNN)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Salah A. Makhlof, Editor-in-chief
