Call for Papers

Editor-in-Chief

Prof. M.S. Demokan,

Vice President (Academic Development)

The Hong Kong Polytechnic University

Hong Kong,

P.R. China

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Photonics (IJP)** is a international journal, which publishes original research papers in the fields relevant to photonics technology. . All submissions should be made electronically to the Editor-in-chief through: (EIC: irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The International Journal of Photonics (IJP) is a scholarly international journal, which publishes research papers in the areas of laser and electro-optic technology, laser physics and systems, applications, and photonic/ lightwave components and applications. The journal publishes articles on the materials, design, fabrication, packaging, and manufacturing of optical, photonic, and optoelectronic devices and systems.

Submission: Authors are requested to submit their papers electronically to irpeditor@gmail.com with mention journal title (**IJP**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Photonics (IJP)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Prof. M.S. Demokan, Editor-in-chief

International Journal of Photonics (IJP)
